MOOD: 😊 hungry

MUSIC: Peter Gabriel - We Do What We're Told

In Seattle for a couple of days. When are you at the NK this week?
I'll try to stop by.

(No promises: it's a work trip. But I'll try.)

Random holiday cookie recipe is random.

"Peeling Bells" cookies: This is a thing my mom used to do. 2 cups flour 6 tbsp butter 3/4 cup sugar 1

Away with the dull drudgery of workaday tiday waves!

I believe this is a significant advance in pot pie technology. Make your pie crust. Par-cook

As easy as-- no, really.

I was talking about the chicken pot pie I was making on Twitter, and it turns out, a lot of people

All the good parties happen when I'm gone.

I may be sleeping on the couch by the time I get there...

That sounds like most of my socializing on recent Seattle trips. (Oh well. The beatings were pretty excellent, anyway.)

Also, regarding styrofoam below - I don't think you're allowed to use non recyclable/compostable

containers in Seattle anymore. At least, someone was explaining that it's being phased in to me last week, though I wasn't tracking particularly well at the time.

I haven't paid attention, since I don't and never intended to use styrofoam to begin with, but that's very likely true. (We use some compostable plastics and some pressed-and-coated paper products.)

It's like living in the future. Except that I have to go to Seattle to do it.

You mean "[The Beatings Will Continue Until Morale Improves](#)" actually **works**?

Well, not just any beatings. But a really high quality educational beating delivered by a top flight master? Oh yeah.

(I'm wishing I'd made an icon from the pictures of me in the femme/sub getup from the one party...)

Awesome! We're closed tonight, and technically Tuesday I'm off (not that that means much), but if that's when you can make it, I'll gladly come in. The next time I'll be in already will be Wednesday dinner (6pm on, I'll probably be in until 2am or later), and Thursday about the same time frame.

Wait. Work? Have I missed something in the news? Should I worry?

Just the usual consultant gig. I'll try to make Wednesday or Thursday night--and if I can drag the Harpy along, I will.

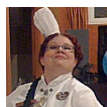

(I may be calling in a takeout order. You will know us by the trail of ~~dead~~ styrofoam.)

For values of drag = "enthusiastic cooperation."

wafts the scent of fried cheese curds and really nice beef in Harpy's direction for extra incentive

Phew! Thanks for the reassurance. I don't recall which federal agency you're with, but federal agents sent in from DC does sound a bit worrying.

I'll have an extra key lime pie made up in a to go tin and put a sticky with your name on it. Anything else I should lay in extra supplies of? ;)

I might get to meet a Harpy AS WELL AS a Platypus? Woohoo! *reminds self that Harpy is a married woman* (I'm a flirt, what can I say?)

You'll embarrass her. *g*

(Oooh. Key Lime Pie.)

 [inaurolillium](#)

[September 13 2010, 15:33:11 UTC](#) [COLLAPSE](#)

Well, I figure I've already embarrassed you plenty that way, it must be her turn. (Besides, women who do male drag well? Hawt.) I may flirt with you, too, a little, but I seem to recall from that discussion of Harpy in drag that her wife is on the jealous side. Possibly some mention of knowing where the gun was kept got floated.

You definitely need to check her place out. Everyone else on my flist who's been there has raved about it. Nom-nom-nom-nom-nom!

Or, as the Aussies say, "there's some good tucker, mate!"

Hey. Harpy and I are leaving Seattle in the AM (would be tonight, but HRT needed the plane). We'll be by TNK in a hour or two. Hope to see you there. (And maybe  [glinda w?](#))
